### General

|                 |                                   |
|-----------------|-----------------------------------|
| Status          | Active                            |
| Voltage         | 120V                              |
| Finish          | Black                             |
| Safety Listing  | cULus - Certified; cULus - Listed |
| Location Rating | Dry                               |
| Each UPC        | 045923561276                      |

### Physical

|               |             |
|---------------|-------------|
| Diameter      | 9.07        |
| Finish Family | Black       |
| Material      | 5VA Plastic |

### Additional Information

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Additional Information | 90 Minute Battery Runtime; 24 Hour Recharge Time; Fixture not included; Battery should be changed approximately every 2 years |
| Installation Notes     | Compatible with 3 in. and 4 in. J-Box & Pancake; 10.5ft Max Mounting Height                                                   |
| For Use With           | 62-1721                                                                                                                       |
| Warranty               | 1-Year                                                                                                                        |

### Compliance

|                            |                                           |
|----------------------------|-------------------------------------------|
| California Prop 65         | Lead                                      |
| UL Application             | Low Frequency Emergency Lighting Inverter |
| RoHS Compliant             | Yes                                       |
| FCC Compliant              | Yes                                       |
| Canadian Standard ICES-005 | Class A                                   |
